THEATRE PARTY

Two Thousand Youngsters Attend Monday Event

Tall kids, short kids—fat ones, thin ones—bold ones, shy ones—all were there!

Two thousand strong, Daly City's Pied piper gathering of laughing, crowding youngsters took the Daly City theatre by storm on Monday afternoon.

Showing their enthusiasm for the annual free Christmas party, sponsored by the city, the local WPA Recreation department and private citizens, the children could scarcely wait to present their tickets and crowd through the door.

Inside, where the Mauch twins were enacting the thrilling story of "The Prince and The Pauper," the youthful audience laughed and cried as the fortunes of the pair rose or fell.

And that wasn't all. Dance numbers by Miss Marie Bell's students from General Pershing and Crocker schools . . . and free bags of candy and oranges . . . made the event a happy one and helped to while away the hours until Santa Claus time.

For some youngsters, this Christmas party was the biggest part of their holiday season. For others it was just the beginning—but one and all, you could read in their happy faces—"Thanks, folks! You're only young once and Christmas is never quite the same after you grow up."

ADDED GLOW

Daly City Exceeds Red Cross Drive Quota For 1941

With Christmas happiness in the air, Daly City feels an added glow of satisfaction this week as the annual Red Cross drive report is submitted.

The report shows that Daly City exceeded its quota this year by a generous margin, according to Mrs. Eva Page, local Roll Call chairman.

Although Mrs. Page is recuperating from pneumonia at her home, 532 San Diego avenue, she reported that to date, funds collected here total $441.35, approximately $50 over the quota of $388.

A similar report from the San Mateo County Chapter, American Red Cross, showed that Colma had contributed $137.75 up to December 16.

Total membership subscriptions in the county total $15,018.75, a substantial increase over the Roll Call receipts of 1939. Further reports from outlying districts are expected to bring the final figure well over $16,000.

With a total of 7,303 memberships reported, moneys collected in the various districts to December 16 are as follows:

Bayshore district, $18.50; Belmont, $351.87; Burlingame, $3,564.60; San Mateo county institutions, $242.63; Half Moon Bay, $135.00; Hillsborough, $5,282.58; La Honda, $30.50; Lomita Park, $161.50; Millbrae, $423.05; Montara, $9.00; Rockaway, $15.00; San Bruno, $232.57; San Carlos, $645.00; San Mateo, $3,792.24; and Sharp Park, $17.00.

In Daly City, Mrs. Page once more expressed her appreciation for the splendid cooperation she had received from her workers and from the community.

Mark This Christmas With A Shining Star

When one is very young happiness is taken for granted. When a nation is very young "life, liberty and the pursuit of happiness" are taken for granted. But when the individual and the nation have grown older they realize that years of happiness should be marked with a shining star for they are the exception, not the rule.

The United States and we who live here have been extremely fortunate. Now, possibly for the first time, we really recognize this fact. "Life, liberty and the pursuit of happiness" are not words on a dusty page this year—they are our greatest treasures.

Now at the Christmas season we are more happy and thankful than usual. More than the joy of buying presents for loved ones is in our hearts. Appreciation of peace in a mad world is there—and hope for a future that will hold a measure of security and good will for all mankind.

Young and old, rich and poor—may our Christmas in America this year be marked with a shining star—

New Year's Day To Be Big Day For D. C. Band

New Year's Day will be a big day for the Daly City Band. It will be the band's annual appearance at the East-West game at Kezar stadium.

Playing before massed thousands for the eleventh consecutive year in the huge San Francisco stadium, the local band are planning one of the finest performances they have ever given.

Police Officer Plays Santa Claus To Waif

He was just a ragged little boy, hitch-hiking his way home through the growing darkness, when Police Officer Joe Kusber brought him into the police station.

Among all the bright crowds of Christmas shoppers, only the child looked lost and forlorn and hungry.

As police officers gathered around to ask him where his home was, the whole pitiful tale came out. About how he lived in San Jose with his nine brothers and sisters . . . about how his father was on WPA and didn't make enough to feed twelve hungry mouths . . . about how he had been sent into San Francisco, ten-years-old, to sell candy to help support the family.

Police Officer Ricco Benedetti looked at the ten-year-old and remembered it was Christmas. He reached into his pocket and brought out his wallet.

Safe and happy, the child was put on a San Jose bus by Officer Benedetti.

One more day in the life of a police officer . . . alias Santa Claus.

DRAFTEES

Board Completes Classification Of 331 Men

Daly City-South San Francisco selective service board has completed classification of 331 men, nearly one half of the 765 questionnaires sent out to date, it was learned today.

With only about ten per cent of the draftees qualifying for Class 1-A, available for immediate service, questionnaires are still being sent out at the rate of fifteen a day.

Indicating that Daly City is a city of homes and families, approximately 70 to 80 per cent of the draftees are being placed in Class III-A, temporarily deferred because of dependents.

With close to one hundred draftees still waiting for the doctor's examination, it is difficult to tell yet the precise number of men who will be available for the next call in January. It is thought that from 15 to 20 draftees will be needed.

The local board has a quota of 170 men to furnish for military training before the end of the year. A large share of these men are expected to be called within the next three months.

Within the last few days two more Daly City youths have volunteered for immediate service. Thomas Reed Roberts, 167 Los Banos avenue, enlisted at the U. S. naval recruiting station in San Francisco, and Albert Edward Scott, 50 Mission circle, placed his name on the volunteer list for army training.

Daly City Ambulance Aids Accident Victims

Daly City Ambulance had a busy week-end Saturday and Sunday, as stormy weather and slippery streets sent accident tolls mounting in every part of the county.

Following a head-on crash on Bayshore highway, Saturday, the local ambulance rushed four injured persons to the hospital. They were Mr. and Mrs. Mills and their two children, 129 Peabody street, San Francisco.

A terrific smash-up in which a car ran into the rear of a truck on Bayshore called the ambulance out again on Sunday. In critical condition from the violent impact, the passengers of the car were removed to a South San Francisco hospital. They included Mr. and Mrs. Al Johnson, 71 Lucky street; Thelma Rubinhoff, 151 Duncan, and Roy Regnart, 153-A Duncan, all of San Francisco.

Worshippers Throng To Churches Today

Far from shrieking bombs and burning cities, Daly City this Christmas morning of 1940 celebrates the birth of the Savior of Man nearly two thousand years ago.

As worshippers' thoughts turn to the divinely compassionate words "peace on earth, good will toward man," Daly City and all the world will be seeking a more lasting peace, a deeper solace, in the eternal Christmas message.

Local Catholic churches will be filled this morning with the joyous, age-old Christmas chants to the Prince of Peace. Worshippers throughout the country will pray

HOLIDAYS

Whole Town Gets Set To Enjoy Big Christmas

As Santa Claus dusts the soot off his red trousers and thankfully turns his reindeer back to the North Pole, Daly City settles down to enjoy the holidays.

Business and civic activity virtually comes to a standstill today, as the majority of offices in the city hall close for Christmas day. Local business firms follow suit, and at the top of the hill there is only one thought in mind—"Merry Christmas!"

Except for the police department which will remain open as usual throughout the holidays, the city departments will be closed on New Year's day.

The Daly City public library will be closed Christmas eve and Christmas day and on New Year's eve and New Year's day.

The greater part of Daly City's seventy-odd organizations are cancelling meetings until after the holidays.

Tired from their long seige as Santa's messengers, local postal officials will gratefully take Christmas day off. The post office remained open all day on Saturday, and delivered Christmas mail all day Sunday. The post office will be closed on New Year's day.

Brightly-lighted Christmas trees and lawn and window decorations have made every part of town gay for the Yuletide season.

At the Daly City public library as well as many other places, a gay Christmas tree adds much to the Christmas trees add much to the holiday atmosphere. The fragrant green wreaths in the city clerk's office and beautiful blue floodlights and elaborate lighting effects at Jefferson Union high school, have received much favorable comment.

HAVE A HOBBY?

Recreation Dept. To Hold Open House All Week

Have you a hobby? This is the question the WPA Recreation department is asking this week.

National Hobby Week, December 25 to January 1, will be observed in Daly City with open house at all recreation centers, according to Bruce H. Boynton, local supervisor.

Here visitors may see the varied hobbies that others enjoy and may perhaps themselves decide to embark upon some interesting leisure-time activity.

If you wish assistance, either at the recreation centers or in your own home, a trained staff of leaders stand ready to help you. Whether your interests lie in metal craft, sports, ceramics, soap carving or any other subject, the recreation department can give you many suggestions.

"Visit your local recreation department today," urges Supervisor Boynton. "Learn how much fun your spare time can be.

"Whether you are young or old, we are sure that you will find something to interest you during National Hobby Week. If nothing else, you will enjoy seeing the displays of others' handicraft."

News of Daly City's Organizations

Mrs. Olive Hoover Elected Wenonah

Mrs. Olive Hoover, 1040 Brunswick street, was recently elected Wenonah of Matoaka Council No. 18, D. of P., it was learned today. A member of the council for only one year, Mrs. Hoover is now starting through the various chairs.

The members of the council enjoyed a Christmas party on December 11, with gifts and refreshments. Holly and pine branches made lovely decorations.

Last Wednesday, children of the members of White Eagle Tribe and Matoaka council were entertained by Santa Claus, impersonated by Herman Tobelman, and the pupils of Betty Mae, who presented a musical program.

Royal Neighbors Report Success Of Xmas Party

Members of Vista Grande Camp No. 6035, Royal Neighbors of America, reported today that their annual Christmas party, Friday evening at Eagles hall, was a "huge success."

Acting as Santa Clauses were Lucy Nelson, Lilly Parker and Anna Romer. Music was furnished by Lottie Smith, official musician. The committee in charge had provided a pretty tree for the occasion.

A lovely travelling bag was presented by Doris Burdick to Lilly Parker in appreciation for her work for the Royal Neighbors sewing club.

Later, 24 members and friends gathered around the beautifully decorated table. In charge of the refreshments for the evening were Doris Burdick, Clara Scott, Joanna Hedvall, Lilly Marshal, Ocie Ainsworth, Mattie Putman, and Marie Rodrigus.

VFW Xmas Party Voted Big Success

A professional puppet show, a colorful Christmas tree, gifts distributed by Santa Claus and free treats were only a few of the highlights of the children's Christmas party sponsored by Old Glory Post and Auxiliary No. 2044, Veterans of Foreign Wars, Sunday afternoon.

Nearly 200 persons gathered at Theatre hall for the occasion. In charge of arrangements for the post was Ben Sendner, and for the auxiliary, Mrs. Mary Sunseri.

A community sing also added to the afternoon's pleasure.

First Interview

The first presidential interview was held when George Washington decided to retire from the presidency. He sent for David C. Claypoole, editor of the Daily Advertiser in Philadelphia. After explaining his plans to Claypoole, he informed him that he had some reflections upon the occasion which he wished to communicate to the people of the United States through the Daily Advertiser. Claypoole was given a copy of the Farewell address, which he published in his paper in the edition of September 19, 1796.

Observe National Hobby Week

Avocations of ambitious Americans are being featured today to January 1 during the national observance of National Hobby week. Some unusual hobbies are pictured above. The house in the upper left was crocheted, and the "Cinderella carriage" to its right is made entirely of pipe cleaners. Gelett Burgess, noted author, appears in the upper right with his "nonsense machine" which does nothing but make noise. Below are shown a train made entirely of boiled matchsticks, and tiny buildings constructed to scale.

American Decoration

American visitors to the ex-Kaiser's palace at Potsdam are not only reminded by the guide that an American President once dined there, but are shown the famous Shell room whose walls and ceiling are studded with semi-precious stones, and an agate-looking slab which he describes as, "petrified wood from your own country, from a petrified forest in Arizona."

Tees for Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early niblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

Daly City Cleaners Install Plant

James Schultz of the Daly City Cleaners and Dyers announced, this week, the installation of a complete cleaning plant.

The plant, comprising an Autocrat dry-cleaning unit, and a Hoffman-Vortec tumbler, enables the establishment to offer four-hour service on cleaning and pressing.

He scours the marshes for sick ducks, and every year cures thousands of their most deadly disease—western duck sickness. The plague was brought on when irrigation projects took away too much water.

Little Sir Echo

GOING SOME PLACE?

Going some place for Christmas Day dinner? Then make sure that you get there, the National Safety council warns. Don't have a traffic accident on the way.

One of the most important things for a safe trip is to start in time . . . so you won't have to hurry.

"Step on it! We'll be late if we don't hurry!" Those words will be the prelude to many a holiday tragedy.

Americans are always speeding, and when you get right down to it, it is usually for some very unimportant reason. Ask yourself, 'Am I really in a hurry? Will the few extra minutes saved actually make any material difference?" You will find that an honest answer will be "No!"

DALY CITY DIGGINS'

"It's All In Fun"

By BOB KEELY

We never disappoint our readers. After receiving several queries about influenza symptoms, we scurried off to bed and found out the following pertinent facts about the "malady that lingers on."

If your back feels like it's broken, your head goes round and round, your eyes become bleary and breathing at all becomes an unpleasant duty, then, we can now assure you, you have the flu.

This paragraph will serve to assure Bert Meritt that no intention of slight did we have in mind by leaving his name out of the paper twice last week.

SNAPSHOTS: Lee Jorgensen, always in a hurry . . . Mel Battye, Santa supreme, at the Eagles party . . . Andy Vireno, putting a tree in the balcony. And that's about it for this week. Now back to bed for us for a further report on Old Man Flu. (Editor's note: The best snapshot of the week was Keely himself in fisherman's raincoat and hat, looking like a bad dream with a toothache).

Washington's Farewell Address

Washington's "Farewell Address" was written primarily to eliminate himself as a candidate for a third term. It was never read by the President in public, but printed in Claypoole's American Daily Advertiser, Philadelphia, September 19, 1796. The address is in two parts. In the first Washington definitely declines a third term, gives reasons, and acknowledges a debt of gratitude for the honors conferred upon him and for the confident support of the people. In the second, more important part, he presents, as a result of his experience and as a last legacy of advice, thoughts upon the government.

Technology Overtakes Flies

Claimed as a great improvement over flypaper is an all-metal electric fly trap that electrocutes flies and deposits their remains in a removable tray.

Light Ray Messages

Messages by light rays were described as an almost interception-proof means of communication during warfare by Dr. Phillips Thomas, research engineer of an Indianapolis electric company. The method would be especially effective in communication between the ground and planes in the air, he pointed out, asserting a message could be intercepted only by cutting into the beam directed at the plane. Other electrical developments demonstrated were a "sterilamp" which he explained would destroy all germs in a given confined area, such as a hospital operating room, and a "black light" which produces various colors.

Large Crowd Attends Church Program Sunday

The largest crowd in five years, nearly 300 persons, attended the annual Christmas entertainment of the Grace Nazarene church, Sunday evening.

Celebrating "White Christmas" each member of the congregation brought with him a food gift wrapped in white for the needy.

The church program featured a number of entertaining features by the Sunday School classes. Especially applauded were the little tots, who were able to make themselves clearly heard in every part of the building by means of Harry McCune's public address system.

Extending Christmas greetings from the three divisions of Boy Scout Troop No. 141 were Jerry Hunt, boy scout; Rodney Duffy, cub, and Billy Lemon, cubbie.

As a holiday token, each person in the audience was presented with a copy of the original song "Little Brown Church," written by Joseph Straughan, scoutmaster, and printed by the troop.

Following the entertainment, each child received a Christmas treat.

Welcome Soldiers

Darwin, isolated outpost of northern Australia where beer costs 2 shillings (50 cents) a bottle owing to high transport charges, has suffered a beer famine. Gladly the people of Darwin welcomed contingents of the Australian defense forces. Promptly these same troops drank all the beer in the town.

What an Animal!

The biggest land mammal that ever lived is called a Baluchithere. Its bones were found by the American Museum of Natural History on one of its expeditions to Mongolia. This prehistoric beast must have been able to browse on leaves more than 25 feet above the ground, according to measurements of its reconstructed skeleton.

County Schools Close—

Eight San Mateo elementary schools closed last Wednesday afternoon for Christmas vacation, two days ahead of time because of the "flu" epidemic which brought absences to almost one third of the enrollment.

San Mateo's elementary schools, with an enrollment of 1730, had 540 absences.

Beginnings of Kindergarten

Maria Montessori, the Italian educator, studied at the University of Rome and graduated in medicine in 1894, being the first woman in Italy to do so. She then took up the subject of educating defective children. From the experience thus acquired, she came to the conclusion that similar methods might be applied to normal children of a lower age, and after a series of experiments on a small scale she extended them to a large number of children in private and public nursery schools in Rome. Her ideas on education have been set forth in several books which have been widely translated.

Cagney Romantic In New Film Opening Tomorrow

Jimmy Cagney has gone romantic. What's more he likes it! The little rough and tumble Irishman has finally succumbed to hugs and kisses in front of the camera.

"As long as the studio cast me opposite Ann Sheridan, I don't suppose there is much I can do about it," Jimmy said, on the set of "City For Conquest," the new picture opening at the Daly City theatre tomorrow. Cagney just caught his breath after playing opposite the red headed siren in "Torrid Zone," when he learned they were to be together again.

Not since the days when Cagney first gained prominence as a tough guy, has he had a chance to hold a girl tenderly in his arms and promise to lay the world at her feet. So far in films, Cagney has reached his objectives with the aid of fists, fast talk, and bullets. In "City For Conquest" everything hinges on how sweetly and sincerely he can tell Miss Sheridan of his love.

"Little Orvie" is the companion feature on the new bill. Another attraction will be the new March of Time, "Arms and Men of the U. S. A."

TOGETHER THEY'RE TERRIFIC—Ann Sheridan and James Cagney, the torrid team of "Torrid Zone" are together again in "City For Conquest," the turbulent drama coming to the Daly City theatre tomorrow (Thursday).

Tractor Romance

When Father's day rolls around next year a tractor on the farm of J. M. Templeton, near Colorado City, Texas, should not be forgotten. In fact, the tractor was almost a mother. A wren built her nest beneath the seat. Heat from the motor kept the eggs warm all day while the wren waited in a tree and took over the job at night. After the eggs were hatched the tractor was brought in at noon daily so the mother could feed her chirping offspring until the family was strong enough to fly away.

TRAFFIC DEATH

John Ventura Victim Of Crash

Victim of a San Francisco automobile accident early Saturday morning, John Ventura, 34-year-old Daly City electrician was buried Monday morning at Holy Cross cemetery.

The accident occurred as Ventura's car skidded on a slippery street after having been struck by another car. He died of a fractured skull shortly after reaching Harbor Emergency hospital.

Police Lieutenant A. L. Hilton and Officer Ed Heim took news of the tragedy to his mother, Mrs. Mae Baker, with whom he made his home at 171 Vista Grande avenue.

In addition to his mother, Ventura is survived by his father, Joseph Ventura; his brothers, Frank and Lawrence, and a sister, Mrs. Elizabeth Dericco. He was unmarried, and a member of Local 617, Electricians' Union.

Funeral services were conducted from the W. C. Lasswell chapel, with a 9:30 a. m. mass at Our Lady of Perpetual Help church, Monday.

Faithful Parrot

Blackie, a whistling parrot that helps Dominick Palugi in his fortune-telling business by selecting the fateful cards for customers, had the exhilarating experience of occupying the same cage with his owner in New York. Palugi was sentenced to a day in jail for peddling without a license. Blackie went to the cell with him, whiled away the tedious hours by whistling "My Time Is Your Time."

U. S. Mutton Consumption

Nearly two-thirds of all the lamb eaten in the United States is consumed north of Washington and east of Pittsburgh, an area which grows less than 5 per cent of the country's sheep.

Large Hull Launched

The first large hull in 60 years was launched at Nova Scotia when a 45-foot dredge slid down the ways of a Pictou marine railway. The hull was built for the department of public works.

Too Much Is Enough

Just as the pen is mightier than the sword, so is the tongue mightier than the fist. Mrs. Violet E. Richter took it in silence and with patience when her husband flew into a rage at being asked to move the furniture, knocked her down and threatened her with a gun. But when he familiarly referred to her as "the old woman" it was too much. She sued for divorce in a Lancaster, Pa., court and got it.

Honest Englishman

It's better late than never, reasoned Jesse Wallace, as he walked into a London, England, police station and handed a pair of old-fashioned gold-rimmed spectacles to the desk sergeant. "I found them when I was down here on my honeymoon 25 years ago," he explained, "and the matter slipped my mind until I got home. I decided to turn them over to police on my next visit to London, and this is it."

'Youthful' House Paint

Home owners faced with the problem of making old houses look younger may try coloring them with "youthful" paints. This can be done with almost any type of construction. Side walls of wood, brick, or stucco may be painted with paints specially prepared for each surface. Roofs may be covered with one of several different types of factory-colored shingles, and color accents may be provided in window blinds and front doors. A popular new exterior color combination consists of light salmon-colored walls, emerald-green roof, and a flame-colored front door.

BUILDING

'Seasonal' Sag Minus This Year

Minus the usual seasonal sag, home building activity in this area is racing through the holiday season at the same rapid pace set early in the year, to establish a record for 1940 not reached in more than a decade.

The Northern California district office of the Federal Housing administration reports that it will be geared to meet the demands of what is expected to be the most pretentious spring home building program in recent years.

This, it was explained, is in accordance with the policy of Abner H. Ferguson, recently named FHA Administrator. He reported that, with the cooperation of manufacturers and distributors of building materials, an ambitious campaign is being launched to more thoroughly acquaint families in lower income groups with today's opportunity to acquire homes of their own.

The FHA program for 1941, it was said, will be directed primarily toward small low-priced homes which now can be bought for a few hundred dollars down and paid for on terms of less than a dollar a day.

Administrator Ferguson predicted that no less than 200,000 families will acquire new homes during the coming year, financed through the FHA-insured mortgage plan, and that about 600,000 additional families will improve or repair their present properties through the FHA property improvement credit plan.

During the present year, he said, approximately 180,000 new small homes were built or started under the FHA plan, representing an investment of almost $900,000,000. Under the FHA modernization program some 625,000 separate loans aggregating more than $250,000,000 were insured by the Federal Housing administration for the repair and improvement of existing residential properties.

"As a direct result of Federal Housing activities for 1940," Ferguson said, "more than 800,000 families — representing 3,250,000 people—are enjoying better living conditions. There is every reason to believe 1941 will pass that record by a wide margin."

Twestens Move Into New Home

Christmas will have a special meaning this year for Councilman Julius Twesten and his family, who will move into a new home shortly after the holidays.

Modern and convenient in every respect, the new house is located at 306 Knowles avenue. It contains a five-room apartment upstairs for Mr. and Mrs. Twesten and their daughter, Irene, and a three-room apartment below, already finished and rented.

Built by George Hammer, local contractor, and erected entirely with Daly City materials and workmanship, the new home is a valuable addition to Daly City's residential section.

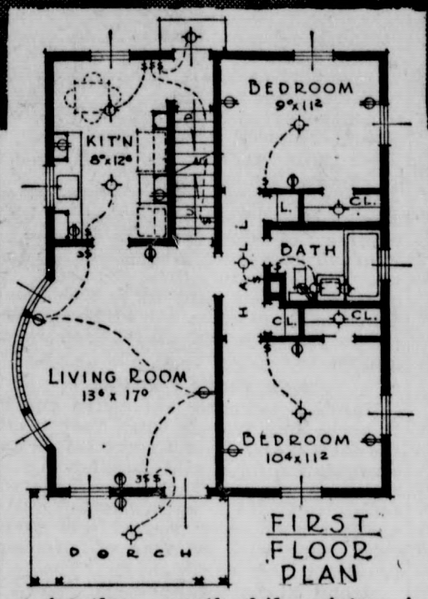
Large windows overlooking the town, insets of glass brick, double garage and a tile, built-in kitchen are only a few of the modern features of this attractive home.

Mr. and Mrs. Twesten formerly made their home at 198 Los Banos avenue, where Twesten is proprietor of the Spring Valley Market.

A resident of Daly City for more than twenty years, Twesten is well-known here, where he has taken a leading part in civic affairs, and has served for the past twelve years on the board of councilmen.

The new home is a fitting climax to Councilman Twesten's long career of public service and indicates the confidence he has in Daly City as a growing residential community.

With a Garden in the Living Room



Cupped in a sweeping glass block bay that reaches almost from end to end of the living room is space for an indoor flower garden—a lovely show of warmth and color against a background of light-full glass. A window at each end of the bay provides ventilation and vistas towards the front and rear gardens, while the center section of translucent Insulux glass blocks effects a perfect shield of privacy between the living room and the next door neighbor, and insulates against summer heat and winter cold.

Outside, an old-fashioned front piazza which can be easily screened during the summer months, will accommodate a half dozen rocking chairs—for those who favor old-fashioned comfort—or the same number of deck chairs. A simple gabled roof—covered with gayly colored asphalt shingles—"joins" the piazza to the body of the house and helps compose an interesting architectural front for the house.

Another worthwhile virtue is the simplicity and directness of the plan of the house. Randolph Evans, its architect, who designed it for the Monthly Small House Club, 140 Nassau Street, New York, has confined its five well-arranged rooms to a well proportioned rectangle, which, builders say, is the cheapest form to build. To add to the usefulness of the house, two additional bedrooms can be placed upstairs. By constructing a new dormer window, another bathroom can also be inexpensively attached to the plumbing serving the downstairs bath.

Following FHA recommended practice, the house chimney is extended at least two feet above the ridge of the roof. This not only assures a good draft at all times but minimizes the danger of chimney sparks dropping to the roof. To further protect the house against the danger of flying sparks—one of our largest causes of house fires—Mr. Evans has roofed it with fire-resistant shingles, in this case, hill-green asphalt shingles.

Barely 23 feet wide, it will fit comfortably on even a 40 foot wide lot, and still leave room for a future driveway. It can be built in most parts of the country for about $3,500, exclusive of land.

Construct Bowling Alleys Here

Daly City has a new and thrilling sport. With the grand opening of the Daly City Bowling Alleys, 6287 Mission street, Sunday afternoon, sports fans here see an increased interest in bowling during the next few weeks.

The four regulation duck-pn alleys offer an exciting pastime to men and women alike. The light five-pound ball may be handled with ease by feminine players. The game will be kept inexpensive, according to M. L. Hammer and W. R. Gilroy, proprietors of the new establishment.

The alleys will be open on afternoons and evenings, including Sunday. The public is cordially invited to learn this popular game.

A. Dini Builds Home Of Concrete

Constructed entirely of reinforced concrete to the first floor, a new home is being built on Templeton avenue and Irvington streets in Daly City which will be unlike any other home on the entire Peninsula.

A. Dini, Daly City cement contractor who is erecting the new $7000, 5-room dwelling for himself and his family, explains that the reinforced concrete will leave his basement absolutely free, without posts; will automatically termite-proof the house, and has numerous other advantages.

Dini has made his home at 187 Irvington street in Daly City for the past eleven years. He expects to have his new home completed by spring.

China's Co-operative Societies

More than 3,000 co-operative societies, designed to aid China's prolonged resistance to Japanese invasion, have been organized in Fukien provinces.

Stockton Lumber Co. Remodels Building

Extensive improvements to one of the oldest business firms in Daly City, the A. L. Stockton Lumber company, are being watched with interest this week by local residents.

Re-modeling for the third time in the last 31 years to accomodate growing business and keep pace with the progress of the community, the firm is completely re-facing the entire front of its building.

Special waterproof Redwood plywood will make the 112 feet of frontage more modern and up-to-date in every way. Additional remodeling to the extent of several thousand dollars will be undertaken within the next few months.

Harrison Gets Redwood Contract

A. M. Harrison Plumbing company, 6236 Mission street, has been awarded a $6,000 plumbing and heating contract for San Mateo county's new courthouse in Redwood City, it was learned today.

In line with its rapid expansion, Harrison two weeks ago installed a new pipe-threading machine, one of the fastest and best on the coast.

Shortly after the first of the year, Harrison intends to begin active work on governmental projects at Moffett Field at Sunnyvale.

Group Gathers To Sing Christmas Carols

Nearly one hundred persons gathered to sing Christmas carols in the Little Theatre of Jefferson Union high school, Thursday evening. The program was under the direction of Miss Clara Dayton, WPA music director.

Principal James Ferguson spoke briefly; among other distinguished guests was Father Thomas Phelan from Our Lady of Perpetual Help church.

Soloists of the evening included Gene Snow, Tipton Banks, Bob Arnold and Oscar Busch, brass quartet; Lawrence Caserza, tenor soloist; Norma Pedemonte, accordionist; Adrian Travers, saxophonist; and Harlan Ferrando, baritone-soloist.

The four last-named soloists volunteered their services in the absence of others taken suddenly ill. Miss Dayton extended her special appreciation to them, and to Oscar J. Busch and Dante P. Lembi for their generous assistance.

Surprise Meat Pie

—and watch it keep 'em passing back for more!

by Dorothy Greig

GUESTS usually look politely baffled when this pie arrives on the table as the meat course. You see, the pie is not a deep dish affair filled with chunks of meat. It is a flat two-crust pie, like an apple pie. When cut into smoking hot

and fresh from the oven, each wedge shows brown and crumbly and glistening.

The secret of its flatness is ground meat. This is cannily seasoned with onion and condensed tomato soup, and topped by a crust rich, short and flaky as you can make it.

Cauliflower, broccoli, carrots or peas are suggested as suitable vegetables to serve with it.

The pie is put together this way:

4 tablespoons minced onion
1 pound ground beef
1 can condensed tomato soup
½ teaspoon salt
⅛ teaspoon pepper
1 tablespoon butter
Pie pastry for two-crust pie

Cook the onions in a little butter until soft. Add the ground beef and cook until barely brown. Blend in the soup. Sprinkle with the salt and pepper and mix. Line a nine inch pie plate with short pastry, rolled ⅛ inch thick. Moisten the edges of the crust with cold water. Fill the pie shell with the meat mixture. Cover with the top crust, prick top, brush with melted butter, and bake in a 375° oven for 1 hour, or bake in a hot oven (450°) for 15 minutes and then decrease heat to 350°, and bake 15 minutes longer.

A New Year surely calls for new delicacies on the table. The following tested recipes have been chosen carefully and are offered as 1941 treats:

Hawaiian New Year's Cup

2 oranges
Whole cloves
1 cup sugar
2 cups water
3 cups canned unsweetened Hawaiian pineapple juice
Juice of 1 lemon
Grated nutmeg

Wash oranges and stick with cloves. Bring sugar and water to a boil and add oranges, cover and simmer until oranges are tender. Remove oranges, strain liquid in which they have been simmered, add to pineapple juice which has been brought to a boil, but not boiled. Stir in lemon juice. Serve hot in small cups with a dash of nutmeg. Cut oranges in small pieces and add one or two to each cup. Yield: 1 quart.

Lima Puree

2 cups cooked, dried Limas
4 cups hot water
1 tablespoon grated onion or onion juice
1 tablespoon butter
2 tablespoons flour
⅛ teaspoon pepper
½ teaspoon salt

Rub Limas through a coarse strainer; add hot water, salt, pepper and onion. Heat to boiling point. Melt butter, add flour, stir until smooth, then add to hot soup, and cook 5 minutes longer, stirring constantly.

Sea Food Cocktail

1 cup shrimp, lobster, crab, tuna or a combination of these
½ cup finely cut celery
¾ cup tomato catsup
1 teaspoon Worcestershire sauce
¼ cup lemon juice
1 tablespoon finely cut chives or onion

Mix ingredients. Chill thoroughly. Serve in cocktail glasses. Accompany with lemon quarters. (Serves 4-6.)

Magic Fruit Cake

1⅓ cups (1 can) sweetened condensed milk
1 cup chopped walnut meats
½ pound (3 cups) shredded coconut
1 pound (2 cups) pitted dates, coarsely chopped

Thoroughly blend sweetened condensed milk, chopped walnut meats, shredded coconut, and dates, which have been coarsely chopped. Pack in a greased loaf pan (8 x 5 x 3 inches). Bake in moderately hot oven (375° F.) 25 minutes, or until brown. Remove from pan and allow to cool thoroughly. Cut into thin slices.

Ginger Way

1 household rennet tablet
1 tablespoon cold water
1 pint milk (ordinary or homogenized)
3 tablespoons sugar
1 teaspoon vanilla
½ cup whipped cream
4 - 5 ginger snaps
Preserved ginger

Break a ginger snap into each dessert dish. Make rennet-custard according to directions in package. Pour at once over ginger snaps. Do not move until firm — about 10 minutes. Then chill in refrigerator. When ready to serve, top with whipped cream and a bit of grated preserved ginger.

New Year's Coffolate

Here's a tempting hot coffee punch to serve your friends when they toast the New Year. You'll start 1941 with a reputation for considerateness if you make your brew of decaffeinated coffee, so that enthusiastic well-wishers may enjoy second and even third cups with no fear of sleeping problems later on.

1 cup strong decaffeinated coffee
2 squares unsweetened chocolate
3 tablespoons sugar
Dash of salt
3 cups milk

Make decaffeinated coffee extra strength, using 1½ tablespoons for each cup, ½ pint water. Add chocolate to coffee in top of double boiler and place over low flame, stirring until chocolate is melted and blended. Add sugar and salt, and boil 4 minutes, stirring constantly. Place over boiling water. Add milk gradually, stirring constantly; then heat. When hot, beat with rotary egg beater until frothy. Serve hot. Top with whipped cream, if desired. Serves 4.

Synthetic Koroseal

Electric transmission cables coated with a new synthetic called koroseal have been found capable of resisting the destructive ravages of the extremely corrosive gas, ozone, for periods as long as three years. Cables coated with ordinary insulating material are eaten through by ozone in three seconds.

Vegetable Cocktail Bar

Milwaukee, Wis., now has a vegetable cocktail bar that serves only vegetable drinks, declares the American Magazine. The operator is Mrs. Edith Lange, whose specialty is a garlic-parsley cocktail. It contains the juice of green peppers, with three cloves of garlic, and the juice of parsley mixed in.

U. S. Highest Lake

The highest lake in the United States having an area greater than one-tenth of a square mile, is Tulainyo, 1½ miles northeast of Mount Whitney, Calif. It has an elevation of 12,865 feet.

Canadian Sport Fishing

Remarkable progress in the development and extension of sport fishing areas in the national parks of Canada is reported by the department of mines and resources, Ottawa, which administers Canada's system of national parks. As a result of biological surveys and subsequent stocking operations in the various lakes and streams, particularly waters once barren of fish, visiting anglers may now enjoy good fishing in many waters where previously there was little or no fishing available. One of the outstanding achievements has been the successful introduction of the speckled trout from its native haunts in eastern Canada into many of the clear, cold waters of the national parks in the Rockies.

Cooking Lesson

Left at home to cook his supper while his wife was at the movies, a 28-year-old husband in Prague, Czecho-Slovakia, became so alarmed when the porridge boiled over and filled the kitchen with steam that he rushed to the theater, calling loudly for his mate. The attendants objected to this disturbance of the performance, but the frenzied man threatened them with violence if they interfered. Charged at the police court with disorderly conduct, he was bound over for 12 months.

The first all-India conference on improvement of medical school education was held in New Delhi.

BANKING NEWS

New Calif. Loans Total 720,000

Are banks making loans in California?

A story told in figures reveals that one bank is pouring two and one half million dollars every working day into California industry, agriculture and general business activity.

The figures, just released by the Bank of America here, show that during the first ten months of 1940 the bank made 720,000 new loans, aggregating $591,000,000.

A breakdown of these enormous totals shows 198,000 personal loans, totaling $35,000,000; more than 158,000 automobile loans for a total of $75,000,000; 135,000 equipment loans, mainly for the purchase of household appliances, for $20,000,000.

In addition to these "consumer" loans, the bank reported making more than 50,000 loans for buying, building or modernizing homes and for other real estate purposes, to the cash total of approximately $110,000,000. Most of these loans were made under FHA provisions.

During the same ten-month period, loans made to agriculturists, individual businessmen, industrial and commercial companies, all for a wide variety of purposes, numbered nearly 180,000, reaching a value of over $350,000,000.

Mission Trails Assn. Chooses Theme For '41

"See your National Defense in action!"

This is one of the many advertising slogans of the California Mission Trails Association for 1941, which will be presented at the association's ninth annual convention in Santa Barbara, January 3, 4 and 5, the president of the tourist organization announced today.

"Inasmuch as Uncle Sam has chosen the Mission Trails counties for the greater part of his national defense program on the Pacific Coast we are selecting 'Mission Trails participation in our National Defense,' as the theme of our Santa Barbara convention," leaders said.

A number of high ranking army officers would speak at the convention as well as William W. Monahan, general manager of the San Francisco Chamber of Commerce, Charles H. Purcell, state highway engineer and John B. Long, general manager of the California Newspapers Publishers association.

Merry Christmas!
Happy New Year!

That's what Daly City and Colma business and civic leaders wish to say to every man, woman and child. See pages 10 and 11 for their greetings to you.

Complete Guide Available Free

Where to ski—how to get there—what to wear—where to buy equipment and wearing apparel—these and many other questions are answered in the complete up-to-date 1940-41 Winter Sports Guide issued by the Winter Sports Committee of the California State Chamber of Commerce.

Listed in the guide are improvements and facilities available, as well as prices, at nearly 100 different localities. There are maps, road directions, prices of excursions and the distances given to these ski centers.

On the last page are listed the dates and places of major skiing events, and the ski clubs throughout California giving names and addresses of the secretaries.

It is the complete ski guide for both amateur and experienced skiers. Copies are available, without charge, at leading department stores and the California State Chamber of Commerce in San Francisco.

Traffic Fines Total More Than $100

In spite of inclement weather, there were enough traffic offenders at court, Friday afternoon, to pay fines totalling well over $100.

Drunken driving charges cost Garnett William Shaw, 6171 Mission street, and Herman Bierman, 1187 Galvez, each $50.

Howard George Hoff, youthful San Franciscan driver, was sentenced to jail in default of a $50 fine for a similar offense. Because of the Christmas season, Judge Wade H. Clay set his sentence at only 4 days, allowing him to be released on Christmas eve.

Speeding offenders included Clever J. Isnard, 206 Whitney, $5 ; Charles G. Wolfe, Palo Alto, $2.50, Jack H. Farley, Nebraska, $5.

A. Chalmers, 652 Congo street, forfeited $5 bail on an intoxication count, while Spiro D. Melos, Vallejo, paid $2.50 for disregarding a signal. J. Levy, 2770 Marlborough, paid $2.50 for dumping.

CONCERTS

Opera Assn. Opens Winter Series Soon

The San Francisco Opera association announces that due to a conflict in her itinerary the scheduled performance January 5 of Lina Pagliughi, heralded as the "second Tetrazzini," has been postponed until sometime later in the season. The date has not as yet been fixed.

In the meantime, however, the association reports a demand for the winter series that promises a volume of business in concerts during the new year. With the postponement of the Pagliughi concert the first attraction on the series now will be the famous Don Cossack choir, Thursday evening, January 16 in the War Memorial Opera House.

Under the direction of its well-known director, the diminutive Serge Jaroff, this famous organization is coming with a new repertoire of songs of Old Russia. Advance orders indicate a capacity audience.

The other four attractions are the renowned violinist, Jascha Heifetz, Tuesday evening, January 21; Gladys Swarthout, one of the loveliest of celebrities of the opera, screen and radio, Wednesday evening, February 5; Marian Anderson, whose voice has thrilled countless thousands, Tuesday evening, February 11, and the famous Vladimir Horowitz, Thursday evening, February 13.

Tickets for the series are now on sale at Sherman Clay and company. Following these attractions the Opera Association will offer its Spring Season, six attractions of the first magnitude; Arthur Rubinstein, Mischa Elman, Nino Martini, Josef Hofmann, Helen Traubel and John Charles Thomas.

Petitions came in all last week for the different offices, and more are expected to be handed in when school opens again in January, according to President Bill Rigler. So far prospective runners in the 1941 election at Jefferson will be: John Razzari and Barbara Davis, president; Violet Bullo, secretary; Jack Faulk and John Domecus, sergeant-at-arms; Herb Poddig, judge, and Tillie Castro and Bessie Pastrikas for yell leader.

"This list is tentative and incomplete, and as yet no check has been made on the students' grades," stated Mrs. Effie Andersen, who is in charge of the election. "Students still have from January 6 to 10 to hand in petitions," Mrs. Andersen pointed out.

SENIOR JINX

The third semi-annual senior jinx proved to be a howling success, and the committee in charge of the affair, further stated that, due to the support of the student body, a profit of $40 was made.

For their untiring efforts to make this year's senior jinx the best ever, we extend orchids to George Wallace and his committee, Rosemary Lane and Adel Menjou.

Entertainment Committee

You can put your long underwear and earmuffs back into the moth-balls, because from the rumors that I hear, the entertainment committee's theme for the dance has been changed from snowballs to hearts. Yes, you've guessed it, the dance will be held over until February 14th.

Betty Coen, entertainment committee chairman, stated that she is sure that this dance will meet with as much enthusiasm as the last dance did.

Frank Feno was welcomed into the entertainment committee, last Wednesday, when he officially became a member of the group.

Music

Jefferson didn't deck their halls with boughs of holly, but they did have it attractively decorated in red and green crepe paper.

The chorus also helped to make the last day at Jefferson seem closer to Christmas, as they presented the students with an assembly of Christmas carols.

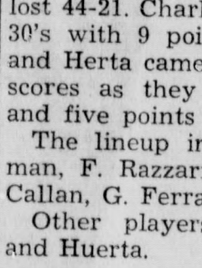
Angelo Ditty, first clarinet; Lloyd Rentsch, second clarinet; Adrienne Travers, alto saxaphone; and Oscar Busch, music instructor, bassoon, opened the assembly with the following numbers: a French Christmas carol, "Angels We Have Heard on High," and a Welsh carol, "Deck the Halls."

At the close of the woodwind quartet, the curtains were parted and the whole chorus of approximately 80 students was shown behind a thin screen. Blue lights were thrown upon the group and the picture produced reminded everyone of a striking Christmas card.

Louise Baciocco's lovely soprano voice was featured in the singing of "Silent Night." The chorus also sang "It Came Upon the Midnight Clear" and "Hark the Herald Angels Sing."

For a specialty number, the chorus and the whole assembly sang "Jingle Bells."

"The response from the audience was so great that I am sure Santa Claus could have heard us from his home in the North Pole," said Busch.



Sports

The "Honest Abes" of Lincoln hi made way with a two way win, last Tuesday, as they met the Jeff men in a tough struggle.

One of the most thrilling games of the season was the clash between the Lincoln and Jefferson varsity as they held one another to a tie, 'til the end of the regular playing time. As the whistle blew to end the game, the referee found the score standing at 34-34. In the overtime the Lincoln men came in with a 3 to 2 win, making the score final at 36-37.

The boys lined up in the following manner: F. Razzari, F. Briseno, C. Capps, G. Faulk, G. Cacci.

High men of the day were Briseno and Razzari with six field goals and five field and one free goal respectively. Other players were Sparks, Dyer and Sharp.

Jefferson's 130's were greatly handicapped due to the absence of their ace player John Domecus, center, who was in bed with the flu.

The boys put up a good battle but the Honest Abes were just a little too strong for them as they lost 44-21. Charles Razzari led the 30's with 9 points, and McHugh and Herta came in close for high scores as they brought in four and five points respectively.

The lineup included: F. Wiseman, F. Razzari, C. McHugh, G. Callan, G. Ferrando.

Other players were Freeman and Huerta.

GPAL

Pickings were pretty slim for the girls this week, as the semester of sports came to a close Friday. The girls will begin their interclass basketball games sometime in February.

Charlotte Silvas handled a mean racket as she proved winner over all of the girl tennis players. Each girl was required to play at least four matches. Charlotte played her four games and brought in four wins out of four. There were ten girls competing in the tournament.

Campus Fashions

Christmas is here and you find yourself richer than you ever thought you could be. Yes sir! Grandmother and grandfather thought they would let you get something you really wanted, so they gave you money; Dad thought you ought to start the new year out right with some pocket money.

Now the problem arises, where to get the most for your money, and how. First of all you will want a dress that will be suitable for school and dressy enough for afternoon occasions. A dress that will keep you warm through the cold wintery months to come. If you delight in daintiness, you will be utterly carried away with the sleek perfect fitting of a rayon jersey dress. They're just the right thing to wear under that new polo-coat that Santa brought you. These darlings have three-quarter length sleeves, and a cute sash that ties in a nice droopy bow on the side. They are buttoned from the nap of the neck to the waist. Luscious turquoise blue, soft maize or gay red colors make these "dresser uppers" too cute for words.

If your heart's desire for school wear is still skirts and sweaters, pick the following outfit for your new suit. This young, gay and exactly right model is first on the list of all campus fashions. Composed of a bright sweater and very short skirt, it is pictured in the pet color scheme for 1941—a man's "wear gray" flannel skirt worn with a sweater set of brightest red wool. A saddle leather trimmed belt, borrowed from brother, is the only decoration on the skirt. To complete this outfit, get a pair of the popular long-ribbed socks of matching red.

This week's fashion bouquet is handed to a very popular Miss. Dressed in a striking outfit of beige andturquoise she was indeed a picture of what the Hi school girl should wear. Her jacket was of the latest style and fashioned with the new long lines. To complete her outfit she wore a turquoise sweater and skirt.

In case you haven't guessed this week's Fashion Girl, she has golden blonde hair, blue eyes, and a darling dimple. She was graduated from Woodrow Wilson, is a low senior, and is hoping to be the next president to rule over Jefferson. Yes sir! Of course, it's Barbara Davis. And this week's fashion bouquet goes to Barbara.

After the pictures, other entertainment completed the Christmas party.
